Moritz Zimmer

2016

<http://www.moritzzimmer.com>

**Helvetica** is anything but dead. Like any piece of living and breathing popular culture, it is always undergoing changes based on current styles and tastes. **What changed?**

Everything. The entire Typeface has been redrawn based on countless different Versions of Helvetica, Akzidenz Grotesk and even Univers, to incorporate everything that I find beautiful, functional. And at the same time

everything I don't like. based on
